I assume you are referring to carbon neutrality of biomass. I am not familiar with the details of this project. Have you inquired with the Office of Air and Radiation?

Hello Bryon,

I just wanted to follow up on this. Thank you very much.

Subject: Carbon Neutrality

Hello Byron,

Not sure if you're the correct person to contact on this, but it was my understanding EPA is currently undertaking efforts in putting out a policy statement on carbon neutrality. Do you know where that is in the process? Thank you.
